

The 44th Annual Apple Pie Craft Fair

Saturday, August 26, 2017 9 am – 3pm
Newport Town Common, Newport, New Hampshire

Dear Artisans & Crafters,

The 44th Annual Apple Pie Craft Fair will be held, rain or shine, Saturday, August 26 from 9am – 3 pm on the Newport Town Common. The Apple Pie Craft Fair is an annual event sponsored by the Library Arts Center. Booth fees raise help to raise much-needed funds for exhibits, classes, and programs. We hope you will join us this year! The Apple Pie Craft Fair, combined with the Richards Free Library Book Festival attracts 2000+ people to Newport from a wide range of surrounding communities. The fair features an apple pie contest & sale, live music throughout the day, and food vendors. It is open to both amateur and professional artists and craftspeople and will provide an opportunity to exhibit, market, and demonstrate your work. Handcrafted items are given preference. Please inquire about non-handcrafted items and booths for non-profit organizations. There are very small quotas for each of these categories, as to maintain the integrity of the fair as a craft fair. All merchandise and food sold is subject to approval by the Library Arts Center Board. Food may only be sold by food vendors. Live animals are NOT permitted for sale.

Please see the map of the Common to note the distinction. (note: fee is for space only and does not include tables, chairs, etc.) *Please see map for booth distinction.
