

Material list from Peter Granucci

Paper:

- Pad of Drawing paper (or two). (not Sketch paper) - minimum size 14x17.
Strathmore 400 or Canson Dessin are decent papers.
(Use good paper: I recommend that you don't use sketch paper as it is thin and cheap which makes it more difficult to get good marks.)
- Canson Mi-Teintes, charcoal/pastel paper - Steel Grey (mid-tone grey)

Pencils:

- Graphite pencils: All from the same company. I use the Faber Castell 9000 pencil. Please include a 2H, HB, 2B, 4B, 6B. You can use what you have as long as they are from the same company.
- Charcoal pencils; 2H, HB, 2B, 4B and White
- sharpener (knife and sandpaper)

Other:

- Erasers: White Magic Rub and Kneaded
- Drawing board, preferably sized to your drawing paper.
