

The 46th Annual Apple Pie Crafts Fair

presented by the Library Arts Center

Saturday, August 24, 2019 9 am – 3pm
Newport Town Common, Newport, New Hampshire

Dear Artisans & Crafters,

The 46th Annual Apple Pie Crafts Fair will be held, **rain or shine**, Saturday, August 24 from 9am – 3 pm on the Newport Town Common. Booth fees raise help to raise much-needed funds for the Library Arts Center for exhibits, classes, and programs. The Apple Pie Crafts Fair, combined with the Richards Free Library Book Festival attracts 3000+ people to Newport from many surrounding communities. The fair features an apple pie contest & sale, live music throughout the day, and food vendors. It is open to both amateur and professional artists and craftspeople. **We work hard to keep the Fair a true "Craft" Fair, therefore, we only feature HANDMADE items. Items for sale must be 1) HANDMADE 2) handmade locally 3) handmade by you.** If your items for sale do not meet all of these criteria, then you need not apply. Please inquire about booths for non-profit organizations. There is a very small quota for this category, and these booths fill quickly. All merchandise and food sold is subject to approval by the Library Arts Center Board. Food may only be sold by food vendors.

AGAIN in 2019! We are offering several different sizes for booth spaces: 10'x10' space for crafters who may not need as much space (and who do not need electric) or 15'x15' on the common perimeter. Note: fee is for space only and does not include tables, chairs, etc.)
*Please see map at libraryartscenter.org for booth distinction.
