

Invitation for Art Submissions

February 17, 2012

The **Visiting Nurse & Hospice of VT and NH** is again seeking out talented local artists to submit artwork in a collaborative effort to honor former Hospice individuals at two heartfelt community events.

On September 8th and 9th, in Lebanon, NH, and Putney, VT, respectively, our hospice program will host the **3rd Annual Wings of Hopesm Butterfly Release**. Last year the artwork of two artists was chosen to represent the event. Our advertising, web site, programs, posters, T-shirts, and greeting cards for bereaved families were all graced with art by one of the two artists.

We are again inviting artists to submit artwork that will dovetail with the theme and spirit of the events. If your work is chosen, you will be widely recognized in the media and throughout all our marketing efforts in NH and VT. You will also be invited to be an honored guest at either of our September events.

By submitting your artwork, you agree that, if you are selected, you will assign and do hereby assign to VNAVNH all rights, title, and interest in and to the artwork, including but not limited to, all copyright and proprietary rights relating thereto. Notwithstanding the foregoing, you retain the right to include the artwork in your portfolio. You represent and warrant that you are the owner of the artwork and have the right to grant the assignment and rights provided herein.

If you agree to these terms, please sign and date this document below and include it with your submission. Submissions will not be considered unless the signed document is included.

We sincerely appreciate your willingness to participate in these events.

Kind regards,
