CLUE #1

Go to the place that we all know
As Our Hometown Bank!
Where we save and borrow low.
It has the highest rank!

Walk around the outside,
Looking everywhere.
You will see a bunny's backside
Almost hidden there!

CLUE #2

Newport has a lovely prize,
A green place for us all,
To gather when our needs arise
To use in summer or in fall,

In spring or winter too
And at one end there is a place
Where concerts sing out true,
A rabbit waits there to play & race.

CLUE #3

A wonderful surprise popped up
Suddenly one day,
A place where children right nearby
Could run and climb and play!

The Town of Newport put it there
At an end of town
Where there was no structure just
for them
And now children playing there
abound!

CLUE #4

Pretty much from everywhere
You can see a tall steeple,
Atop a brick building there,
A place for all people

Find a bunny hiding near a step
You'll see her there in full sight
Can't find her yet?
Look where she fits tight!

CLUE #5

Ask your grandparents if they recall
a place
Where people stayed the night.
At one time it was an elegant space
And a theater with marquee bright.

Now the buildings are all gone,
It is now a flat paved space,
Here you will find a rabbit waiting
for you to play along,
Tucked by gardens and trees, right
off this Main Street parking place

CLUE #6

There's a beautiful church made of rock
You will see as you round the green.
Trim is red and a story walk
That walking by you may have seen.

Go to the front door
And look around there
You'll see your bunny
Tucked in pretty and fair!

CLUE #7

A place where many children go
In summer and after school
To run and play and go to show
Their good sportsmanship! So cool!

Boot camp and pickup ball
There can be found, kids aren't
The only ones to benefit from
sport's call.

There you will find a rabbit tucked
in
On the edge of the wall
It's hide and seek game it might
win!
Look carefully, and its name you can
call!

CLUE #8

There is a new business on Main
Street,
Its location all fancy and new,
Where anyone who has been injured
Can get help there to renew!

Professionals teach people to move
muscles around
Tucked in the front window,
a rabbit is resting,
After a workout and treatment
when injury was found
After jumping and hoping in pre-
Easter festing!

CLUE #9

If you go to a concert or a play
You'll find the best place around
Where lots of people enter and say
How lucky to have this right in town.

There are two ways to get into this
gem of a place
You could go up steps or up a ramp
to get inside,
One in the back and one on its face.
Try the back stage door to find
where bunny hides!
