APPLE PIE CRAFTS FAIR 2024

VENDOR INFORMATION

Saturday, August 24 9:00am-3:00pm

Newport Town Common, No. Main St. Newport, NH **RAIN OR SHINE**

***If for any reason you are no longer able to attend the Fair, please let us know as soon as possible so we can accommodate other vendors from the wait list. Thank you! Please know that we will not be in the office on Friday night/Saturday morning, so please call/text Fran at 603-277-0085 if you are unable to make it to the Fair.*

IMPORTANT INFORMATION FOR 2024

YOUR DESIGNATED SPACE - You will be assigned a specific space/booth location. The map of assigned booth spaces will be posted at the gazebo/bandstand **the evening before** the Fair (accessible after 6:00pm) and may also be viewed the morning of the Fair. Registered Food Vendors + Premier Sponsors will see their spots marked out on the attached map. Craft and non-profit vendors will be notified of their locations when the map is posted on Friday evening. **We are unable to move your space once spaces have been assigned. Thank you for your understanding.** Our morning greeters will be in red aprons and will point you to your correct spot and make sure you have all needed information.

If you enter on Park Street and pull over near the gazebo, you can check in with our greeters and get your information and booth assignment without even leaving your vehicle! If you already know your booth location on Saturday morning, you can head right to it. **Please be aware—Space Assignment Numbering is slightly DIFFERENT for the "INTERIOR BOOTHS" this year than it was in 2023.**

SET UP / TAKE DOWN - There will be morning greeters in red aprons, and you may check in with these folks before starting your set up and to confirm your booth location, if needed. **You may arrive at the Common as early as 6:30am. All set-up should be complete by 9:00am when the fair starts.** Take Down is not until **AFTER the 3:00pm closing time of the Fair.** Taking down your booth even 5 or 10 minutes early is not respectful to patrons or fellow crafters, and is not permitted. **Friday Night set-up is NOT permitted.**

UNLOADING - You may very carefully and swiftly unload your vehicle next to the Common before the Fair begins, **but immediately after unloading, you MUST move your vehicle to VENDOR PARKING LOT at the Newport Rec., 65 Belknap Ave. No exceptions will be made. There will be a shuttle to bring you back to the Common as well as one to bring you back to your car at the end of the day. The Rec Center is less than ¼ mile from the common. The vendor shuttle will begin running at 7:15am, if you plan on utilizing it.**

Please use EXTREME caution when pulling onto the Common as not to damage the grass, benches and trees on the Town Common. If your booth space is one of the 10x10 spaces on the Common "Interior" we highly recommend arriving by 7:15 to ensure you are able to access your space before being blocked in by the perimeter booths.

*****PARKING - **VERY IMPORTANT—PLEASE READ!**

No crafter/vendor may park on the Common, around the Common or in adjoining lots, as these spots are reserved for Fair patrons. We are making a big effort to open more parking to increase opportunities for shoppers to easily find a spot and come shop! The route to the Rec Center will be clearly marked. There will be someone there to check you in.

***TAKE NOTE: As there is an ordinance per order of the Newport Select Board that no cars should be parked on the Common, cars that are parked anywhere on the Common will be ticketed by the Newport Police Department.**

WHAT TO BRING - The Library Arts Center will provide your booth space. **You are responsible for bringing your own tables, table coverings, chairs, tents, etc.** We highly recommend bringing a tent for shade, and for cover in case of rain.

Bring your coffee/breakfast from home, or stop along the way to pick up some before coming to the Fair. There will be a limited number of food vendors offering coffee and breakfast items at the Fair. *Faz's Food Truck will have some great breakfast offerings! 2B Mobile Eats will offer mini donuts for sale and Beans and Blossoms Coffee will be serving at the North end of the Common, and Goshen Fire will have their famous homemade donuts at the South End of the Common near the Gazebo.*

ELECTRICITY - If you indicated on your registration form that you will need electricity, please bring an extra-long, outdoor quality extension cord with you. We will do our best to place you close to an electrical outlet, however, we recommend bringing a cord to ensure that you can safely reach the closest outlet from your booth.

RESTROOM FACILITIES - Port-o-Potties will be located both at the North End and South End of the Common. Additionally, we have added several hand washing stations at each end of the Common this year.

FOOD - There will be a variety of food vendors at the Fair that will have food and beverages for sale.

REFUNDS - Refunds are no longer available. ***As the Fair is held rain or shine, refunds will not be given in the event of inclement weather. If you are no longer able to be a vendor at the Fair, please let us know so we are able to fill "holes" with one of the many vendors still on the waiting list.***

SMOKING - Is not allowed on or around the Town Common where the fair is held, please note this if you smoke. Please be respectful of this rule.

FAIR FEATURES + EVENTS:

LIVE MUSIC - There is a full schedule of live music at the bandstand throughout the day, beginning at 9:00am

NEW! "The Apple Store" - We have a special booth located near pie headquarters dedicated to Fair-branded gear such as t-shirts, sweatshirts, camp mugs, pint glasses, durable stickers and more! The booth also features a very special addition for 2024--our 50th Anniversary Community Cookbook of Apple Recipes. Many of this year's items are especially in honor of our 50th Anniversary, and include a design featuring fun pie with birthday candles.

APPLE PIE CONTEST - The community favorite Apple Pie Contest will take place at "Pie Headquarters"--the big striped Library Arts Center tent at 11:00am.

APPLE PIE SALE -- Pies will be sold to benefit the Library Arts Center at the large tent located at the center of the Common from 9:00am until pies are sold out. **If you indicated on your registration form that you would like to donate a pie, we thank you! Please drop off your pie at the big tent in the morning.**

FOOD VENDORS - A great selection of food vendors are located at the North and South Ends of the Common

BASKET-MAKING DEMO - Artisan basket-maker Ray Lagasse will be conducting a live basket-making workshop and demo on the North End of the Common throughout the day. Workshop participants will be making a basket from start to finish.

APPLE TREATS A LA MODE -- Craving an apple treat with ice cream during the day? Apple desserts are available at the "Apple Café" at the big red and white tent after 11:00am, and until treats are sold out. All proceeds benefit the Library Arts center

Thank you! We will see you on Saturday!
